

SUMMIT WORKSHOP MENU

WORKSHOPS FOR GRADE GROUPS A & B

A grades K-2, B grades 3-5
2 hour Summits for \$20

IMAGINATION STATION

Kids will enter a world of imagination through guided improvisational play and artistic games that use music, art, and theatre to encourage their minds and bodies to come alive, and to tell the stories they imagine.

RHYTHM ROCK

Kids will explore a variety of rhythms and learn how they relate to the mood of a song. We will use music, movement and rhythm instruments to explore how rhythm is used to tell a story and how that story can change with the beat.

POETRY IN MOTION

Bring poems to life in this workshop where kids learn to take simple poems and create a mini- theatre production out of them.

SING A SONG

Kids will learn a few simple songs we will sing together along with some basic singing tips. We will also explore the stories behind the songs and how they were written.

YOU DREAM IT, WE DO IT! (FOR ANY GRADE GROUP)

Do you have an idea for a Summit that we haven't listed? Tell us what you are looking for or what your student wants to learn, and we will create a Summit just for you!

WORKSHOPS FOR GRADE GROUPS C & D

C grades 6-8, D grades 9-12
3 hour Summits for \$30

IMPROV AT THE IMPROV

Explore team building, creativity and communication through fun and comedic improvisational theatre games and activities.

POETRY IN MOTION

Have you ever met a Jabberwocky? Explore a world where poems come to life! We will use music, movement, acting, and other tools to perform poems in a unique way.

RHYTHM ROCK

Find your rhythm! Learn how time signatures set the tone for a piece of music and explore the world of rhythm and how it shapes music.

CHORAL CONCLAVE

Learn basic choral techniques and how to sing well with others. Each “conclave” will focus on one or two songs that will be performance ready by the end of the workshop.

SINGING MADE SIMPLE

Explore basic vocal techniques that are needed to develop your best singing voice. Includes topics such as singing “language”, breath management, posture and more.

STAGE IT!

Explore the art of blocking and/or choreographing scenes and/or songs. Learn how to use space effectively to bring lines to life on stage.

MUSIC MARKET

How does music influence choices? Learn how music is used in marketing effectively and create a commercial or jingle of your own to share with your fellow students.

PERFORMANCE PERFECTION

Students will come prepared to share a song, poem, or monologue and learn how to polish their performance and take those skills with them when they go.

COMMUNICATION STATION

Learn the art of communication through creating and sharing a one minute speech and exploring how to use words as well as body language to speak effectively.
